

# IDYLLWILD

## Resurfacing Project 2023

In early August 2023, the Riverside County Transportation Department will begin a resurfacing project on various roadways in Idyllwild. The project will grind and resurface about five miles of roadway on four streets. Construction is expected to continue through October 2023. Work is planned on the following streets/locations, please see the map for details.

**Saunders Meadow Drive**  
**South Circle Drive**

**North Circle Drive**  
**Fern Valley Road**

**County Maintenance Yard**  
**Lawler Park/Alpine Cabins**

### TRAFFIC IMPACTS

Motorists can expect lane closures during construction with flaggers assisting vehicles through the closures. Residential and business driveway access will remain open.

The Humber Park parking lot will be closed for 14 days in October during construction of the proposed retaining wall on the south side of Fern Valley Road near the entrance.

**Parking will not be permitted on Fern Valley Road during the closure.**

**PEDESTRIAN AND CYCLIST access will also be closed.**

### FAST FACTS

**Timeline:** Early August through October 2023

**Work hours:** Daily, 7 a.m. to 6 p.m.

**Access:** Lane closures with traffic control to assist vehicles through the work zone. Access to businesses and residences will be coordinated.

**Cost:** Approximately \$5.1 million
