

Anza Roundabout Project

Closure on Anza Rd between Rancho California Rd and Los Nogales Rd beginning April 16

Anza Rd south of Rancho California Road will be closed on April 16th for approximately three weeks (weather permitting). Please see the detour map below.

Rancho California Rd will remain open to two lanes (one lane in each direction) with the exception of nine (9) calendar days when Rancho California Rd will only have one lane of traffic open for both directions.

During these nine (9) calendar days, the County's contractor will be working 24 hour shifts.
