State Route 79 is preparing to begin its second stage of construction. This stage will take place from Thompson Road to Scott Road with intersection improvements at Newport Road. This \$16 million project will widen SR-79 from two to four lanes between Thompson Road and Domenigoni Parkway.

There is a public meeting scheduled for Monday, January 14, 2013 at 7:00 p.m. The purpose of this meeting is to inform residents about this project and to allow for questions prior to the start of construction. The meeting place is Valley-Wide Park and Recreation District which is located at 32665 Haddock Street, Winchester, CA 92596.

For more information about this project go to www.rcprojects.org/sr79
