

# GILMAN SPRINGS ROAD

## Resurfacing

## Construction Alert

### Nighttime road closures

Tuesday, Nov. 5 and Wednesday, Nov. 6

8 p.m. to 5 a.m.

On Tuesday and Wednesday nights, Nov. 5 and 6, Gilman Springs Road will be closed from SR-60 to Highway 79, from 8 p.m. until 5 a.m. the following morning.

Through traffic may use the detour below. Local residents and businesses, along with emergency vehicles, will have access through the checkpoints.

On SR-60, the Gilman Springs Road exit will close during nighttime work. Also, please be aware of continuing work on the east and westbound SR-60 for the 60 Truck Lanes project ([rctc.org/60trucklanes](http://rctc.org/60trucklanes)).

The road closures are necessary so crews can continue placing the rumble strip along the white fog line in both directions of Gilman Springs Road. Rumble strip is recessed indentations that alerts motorists when they cross over lane lines.

Please plan for delays and drive carefully in the construction area.
